Arrival Directions

From the East via Tamar Bridge at Saltash, continue on the A38 to Trerulefoot roundabout. Turn left on A374. 2 miles after Polbathic turn right to Crafhole and turn left on to B3274 to Millbrook. Continue past the village up the hill with the school at the top. Bear right and down the hill to Kingsand. Continue into the village. The village store is on the right. Green Lane is opposite which leads to The Green. Sunnyside is just below with a square bay window, between the two converted chapels.

I would always recommend crossing the Tamar via the Torpoint Ferry,
turn left off the A3274 at Antony and follow signs to Millbrook and then as above.
